Dear Mr. Buty,

Thank you for your donation of 84 cases of hand sanitizer valued at \$5040 and given on August 24, 2020 to Meals on Wheels Diablo Region. This thoughtful donation is so needed during this difficult time as we work diligently to keep our staff, volunteers and clients safe and healthy. Your generosity is truly appreciated.

All of us at MOW Diablo Region are truly heartened at the outpouring of generosity from the community. It is an unsettling time for all of us, but more so for those vulnerable seniors who are now more isolated than ever before. We are committed to continuing to deliver meals. Also, our staff and Friendly Callers are making phone calls to check on our clients and offer them a social connection, and our Care Management team are working overtime fielding phone calls from seniors who are worried about community services they depend on, and some who are dealing with anxiety and depression.

Your generosity has made a positive impact on our seniors, staff and volunteers. We invite you to visit our website mowdiabloregion.org or follow us on Facebook where we will periodically be posting information about our work during this crisis and any special items still needed by our seniors.

Sincerely yours,

A handwritten signature in blue ink that reads 'Caitlin Sly'.
